File document!

Statement of Issues

The Plaintiff has "Question of Law", Point of Law", and Question of Fact" issues with all of the defendants, also with the Dishonorable James P. Donohue. Should the dishonorable James P. Donohue continue to try to hide contradicting clear convincing evidence that proves that all of the defendants are compulsive liars from the very start? Should the Administrative body of the United States district court Western district of Washington at Seattle continue to allow this High-level corruption and hide other evidence that Federal Employees such as the Federal bureau of investigation was also involved in this Conspiracy against the Plaintiff Kyle Lydell Canty?

Statement of Facts

1. The Plaintiff Kyle Lydell Canty has interviewed Assistant Director Katheen Flaherty at her office/place of work.
2. Assistant director Katheen Flaherty took it upon herself to apologize to the plaintiff Kyle Lydell Canty via email (See attached exhibit V)

Conclusion

Revenge is a perfectly sane and just emotion for the plaintiff Kyle Lydell Canty to have when he has had to endure bizarre high-level corruption and conspiracy that was waged against ~~him~~ ^{him}, the question now becomes where is the money?, Maybe the Dishonorable James P. Donohue can answer this question!
